

Mathematics Instructor

SUNY FMCC is seeking applicants for a full-time tenure-track position in its Mathematics Division beginning January 2026. Candidates should be prepared to teach a range of courses, from remedial to advanced mathematics and statistics. Candidates must be committed to the mission of community colleges and teaching students who have a wide range of academic abilities. Additional responsibilities include, but are not limited to, assessment, planning, and implementation and evaluation of curriculum.

Qualifications:

- A Master's degree in Mathematics or Mathematics Education combined with a Bachelor's degree in Mathematics are required.
- Teaching experience is preferred, preferably at the two-year college level.
- Experience with assessment of student learning is also preferred.

Salary and Benefits:

- The annual Instructor base salary is \$62,999.
- A comprehensive benefits package including health insurance, a NYS Pension Plan, and other perks to support your professional and personal well-being.

Application Procedures:

- Applications should be submitted by e-mail to Faculty@fmcc.edu.
- Applications should include a cover letter, resume, copies of transcripts (official transcripts required for hire) and a list of five references with their current phone numbers and addresses.
- The anticipated start date is January 21, 2026. Recruiting will continue until a successful candidate has been identified.
- For full consideration, applications should arrive before October 17, 2025. However, the search will remain open until the position is filled.
